The social hour was one of enjoyment. The Edison furnished sweet music while the hostess, assisted by Mrs. Bigger, served dainty refreshments.

On account of the meetings at the Methodist church the next regular meeting of the Circle has been cancelled.

For Mayor

Having served faithfully and well the past two years as chief executive of the city, there is a strong sentiment for Mayor Plowman to continue in that office for a second term, and yielding to this sentiment he will be a candidate to succeed himself in the election to be held Tuesday, April 4. Mr. Plowman's efforts have been to do the things a majority of the people want done when it appeared to him to be the best for the entire city. Good management and carefulness of expenditures by the present administration has put the finances in such condition that the needs of the city can be taken care of promptly this season and some needed improvements made.

Feed Grinding

Have installed a new grinder and am prepared to grind all kinds of feed at my place in southeast part of town. H. Labar, phone 30.
